Making the Star Corner Blocks:

1. Mark a diagonal line from corner to corner on the wrong side of each 3" cream square. Place a marked cream square right sides together with each 3" red square. Stitch 1/4" on each side of the marked line on each unit. Cut apart on the marked lines to make 2 cream/red units from each layered unit. Press seams toward red side. Repeat with the blue 3" squares to complete a total of (8) each red/cream and blue/cream units. Trim each unit to 2 1/2" square, centering the diagonal seam.

2. Select four red/cream units, one 2 1/2" red square and (4) 2 1/2" cream squares. Sew a red/cream unit between two cream squares referring to the diagram to make a row. Press seams toward the cream squares. Repeat to make a second row. Sew a red square between two red/cream units to make the center row. Press seams toward the red square. Join the rows to complete 1 Red Star block. Press seams away from the center row. Repeat to make a second Red Star block.
