## Blocks:

1. Draw a diagonal line on the wrong side of the A and C squares.
2. Place a marked A square right sides together with a B square. Stitch 1/4" on each side of the marked line. Cut apart on the line. Press seams toward the B triangles.

3. Mark a diagonal line on the wrong side of 1 of the pieced triangle units, crossing the previous seam line. Place the marked unit right sides together with the unmarked unit, matching the seams of the units and placing A against B and B against A. Stitch 1/4" on each side of the marked line. Cut apart on the line. Press seams to 1 side. Trim the units to 4 1/2" x 4 1/2" to complete 2 A blocks.

4. Repeat steps 2 and 3 to complete 22 A blocks total.
5. Repeat steps 2 and 3 with D squares and marked C squares to make 22 C blocks.

## Quilt Assembly:

**Note:** Refer to the quilt drawing throughout the following steps.

1. Sew the 2" x 41 1/2" inner border strips to the long sides of the panel and the 2" x 36 1/2" strips to the top and bottom. Press seams toward the strips.
2. Sew 6 A blocks alternately together with 5 C blocks, beginning and ending with an A block, to make a side border. Press seams toward the A blocks. Repeat to make a second side border. Sew the strips to the long sides of the quilt center. Press seams toward the quilt center.
3. Stitch 6 C blocks alternately together with 5 A blocks, beginning and ending with a C block, to make the top border. Press seams toward the A blocks. Repeat to make the bottom border. Sew the strips to the top and bottom of the quilt center to complete the top. Press seams toward the quilt center.
4. Remove the selvage edges from the backing pieces. Join the pieces on the long edges with a 1/2" seam allowance. Press seam open. Trim the top and bottom edges to make a 52" x 60" backing piece.
5. Layer, quilt and bind, using your favorite methods and the pink (green) dot binding strips, to complete the quilt.
