CONSTRUCTION

Note: Sew with 1/4" seam allowance unless specified otherwise. Sew right sides together. Press seams as you sew.

2. Center the (2) pockets on one black piece. Pin and sew around the sides and bottom edges of the pocket, leaving the top edge open (Figure 1).

Figure 1

3. Pin each of the (2) black pieces and the 6" x 39" orange piece to the batting pieces of the same size, with the fabric right side up. Sew the pieces to the batting with a quilting stitch in your choice of quilting pattern or using free motion quilting. Do not stitch on the pockets.

4. Pin the long 6" wide orange strip to the side and bottom edges of the piece with the pockets, RST. At the bottom corners, clip in the seam area of the side panel for ease in turning. Repeat to sew the remaining black piece to the other long edge. Trim end if any excess fabric remains.

5. Repeat #4 above to sew the lining with the floral pieces. Lining is not quilted.

6. Lay a 1" wide batting strip centered on back side of one yellow 3" wide piece. Wrap the side edges of the fabric over the batting and fold under a hem on the top fabric. You may have to adjust the fabric so that the folded hem is next to a side edge. Pin and sew around the strap 1/8" from the side edges. Repeat to make (2) straps.

7. Lay the bag unit flat, right side out. Align the ends of one strap to one top edge about 8" apart and pin. Repeat with the other strap, pinning to the top edge of the other side of the bag. Baste straps in place (Figure 2)

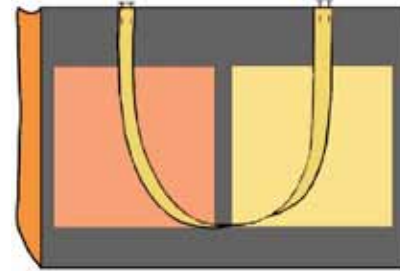

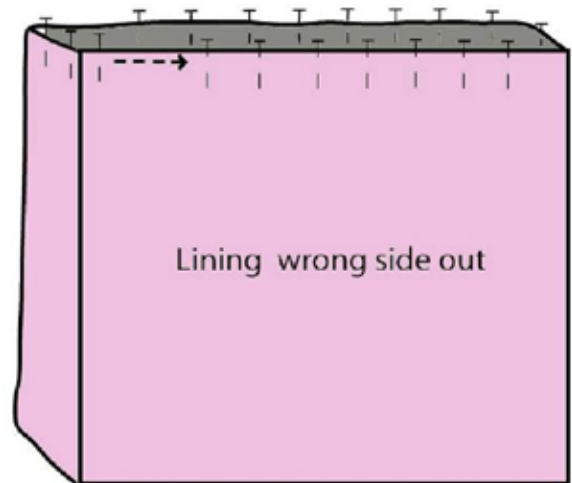

Figure 2

8. With the floral lining turned wrong side out and the bag turned right side out, place the bag inside the floral lining. Align top edges and pin. Sew top edges with a 1/2" seam allowance, leaving a 4" opening between the straps on the back side. Turn right side out and press seam flat. Top stitch around the top edge 1/4" from the edge.
