2. Sew blocks: Sew the 7" long black pieces to the top and bottom edges of a Bee Yourself block. Sew the strips with the HSTs to each side edge (Figure 2). Make (12) blocks.

While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies.

Binding

Sew ends of binding strips together diagonally to form a continuous strip to go all the way around the quilt edge. Sew binding to the front edge of the quilt, right sides together. Miter the corners. Turn the binding to the back and fold under a 1/4" hem. Hand stitch the binding to the back.

CREATIVE OPTIONS

When you make the Bee Yourself quilt, we realize that you will have a great "Bee Yourself" border design left over.

You can use this piece in a number of ways:

- Trim for a pillowcase
- Table runner
- Apron
- Wall Hanging
- Side gusset on a tote bag

These are just a few of the ways to make the most out of the yardage you have purchased. Quilting Treasures will have a table runner project, as well as others, for you on the website.
