### Pieced Blocks

**Note:** Use a ¼" seam allowance for all stitching.

1. Sew a B triangle to opposite sides of an A square. Press seams toward the triangles. Add a B triangle to the remaining sides of A to complete (1) 3" x 3" center unit. Press seams toward the triangles. Repeat to make 3 center units total.

2. Stitch a B triangle to 1 side of a C square and a D triangle to the opposite side. Press seams toward the triangles. Repeat on the remaining sides of C to complete (1) 3" x 3" side unit. Press seams toward the triangles. Repeat to make 12 side units total.

- Sew a B triangle to 2 adjacent edges of an E square. Press seams toward the triangles. Add an F triangle to the long diagonal edge of the pieced unit to complete (1) 3" x 3" corner unit. Press seam toward the F triangle. Repeat to make 12 corner units total.

- Stitch a center unit between 2 side units to make the 3" x 8" center row. Press seams toward the center unit. Sew a side unit between 2 corner units to make the 3" x 8" top row. Press seams toward the corner units. Repeat to make the bottom row. Join the rows to complete (1) 8" x 8" pieced block. Press seams away from the center row. Repeat to make 3 blocks total.

- Lightly trace the full-size tulip/bud appliqué design in each corner of the creased squares and the large flower in the center.
- Cut out and prepare pieces for appliqué referring to the cutting instructions for the number of each piece and fabric to use. Add a 1/8"-1/4" seam allowance to the solid line edges of each piece for hand or turned-edge appliqué. Dashed lines on patterns indicate section of a piece that is under another piece. Do not add seam allowance to the dashed line edges.
- Arrange and appliqué the stem pieces on each background square using your favorite appliqué method. Continue to add pieces in numerical order to complete the appliqué. Press from the back. Trim each block to 8" x 8" with the appliqué centered.
