FABRIC REQUIREMENTS	
Design: Red/Black	Yards
23353 Q	5/8
23356 S	5/8
23355 J	1/3

Cutting Directions:

23353 R: Red Tea Cups / 23353 Q: Turquoise Tea Cups

- Cut 2 13" x 15" rectangles.

23356 S: Yellow

- Cut 2 13" x 15" rectangles.

23355 J: Black Roses Binding & Loop Fabric

- Cut 7 bias strips 2½" wide.
- Cut 1 bias strip 1" wide for the Loop.

Batting: Use Fusible Batting or a Spray Adhesive Product with your batting of choice.

- Cut 2 13" x 15" rectangles.

Piecing Instructions:

Use a ¼" seam allowance.

1. Layer a lining batting and the top rectangles together with wrong sides facing the batting. Fuse together. Repeat with the other set of rectangles.
2. Prepare the Cozy Template and cut out along the outer edge.
3. Trace the Cozy Template onto one side of the fused fabric sandwiches.
4. Stitch along the traced line through all three layers on both fabric sandwiches.
5. Using a zig-zag stitch. Sew a second line inside and close to the previous stitching. Repeat for the second side of the Cozy.

6. Cut out the Cozy following the traced outer stitching line, being careful not to cut the threads. Repeat for the other side of the Cozy.
7. Layer the two halves together. Pin the layers to keep from shifting. Using a ¼" seam, baste around the curved edge leaving the bottom open. Begin and end with a backstitch.
8. With right sides together, using a scant ¼" seam, sew the 1" bias strip together. Turn right sides out and press flat. Trim to 6" long.
9. Fold the 6" Loop in half and tack the raw edges together. Place the loop at the top of the Cozy, in the valley at the top and baste it in place. Place the raw edges of the loop even with the raw edge of the Cozy. Tack in place just inside the seam allowance.
10. Sew the 2½" binding strips into one long strip. Fold in half and press.
11. Stitch the binding along the curved edge of the Cozy. Hand or machine stitch the binding in place. Fold the Loop up and tack in place.
12. Sew binding to the around the bottom edge to complete the Cozy.

While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies.
