- Place the two bag panels, right sides together, making sure the Fabric B strips are on the same side on both panels. Sew the two panels together starting 2" from the top, down both sides and across the bottom (Fabric B edge), (Fig. 2).

- Turn the top under $\frac{1}{4}$ " and then $\frac{3}{4}$ ". Top stitch to create the channel for the drawstring (Fig. 3). Repeat on the opposite side.

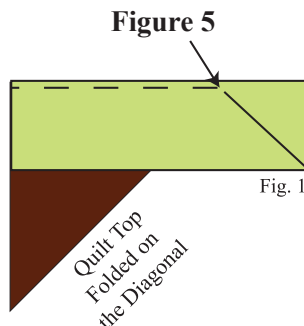

- Thread the cords through both channels and tie the two ends together on each side to make the drawstring (Fig. 4).

- Turn the bag right side out and press as needed.

B. Dog Bed Assembly: (Directions below are written for the small Dog Bed, follow the same directions but using the appropriately sized fabrics to make the medium or large Dog Bed).

- Center one $2\frac{1}{2}$ " x $34\frac{1}{2}$ " Fabric B strip on one side of the $28\frac{1}{2}$ " x $28\frac{1}{2}$ " Fabric A square and pin in place. Start sewing the strip a $\frac{1}{4}$ " from the top edge of the Fabric A square and stop a $\frac{1}{4}$ " from the bottom edge. DO NOT TRIM THE EXCESS. Repeat with the opposite side.
- Repeat Step 1 to sew one $2\frac{1}{2}$ " x $34\frac{1}{2}$ " Fabric B strip to the top and to the bottom of the Fabric A square, making sure to stop and start $\frac{1}{4}$ " away from each end of the Fabric A square. To miter each corner, fold the quilt top on a diagonal, wrong side together. This should line up the strips from adjacent sides (Fig. 5).

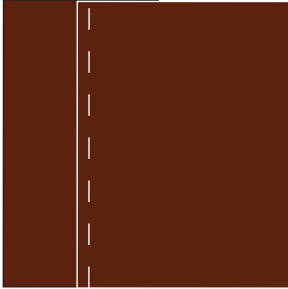

- Starting at the sewn seam (represented by the arrow in Fig. 5), draw a 45° line out to the edge of the fabric. Sew on the drawn line. Trim the excess fabric, leaving a $\frac{1}{4}$ " seam allowance. Repeat this step with the remaining corners. This completes the Dog Bed top.
- To make the back envelope flaps, turn under one long edge of the 18 " x $28\frac{1}{2}$ " Fabric A strip approximately $\frac{1}{4}$ ", press and repeat. Top stitch the folded fabric in place to make one flap. Repeat with the second $18\frac{1}{2}$ " x $28\frac{1}{2}$ " Fabric A strip to make another flap.

5. Position the two back flaps together overlapping the finished edges to make one 28½" x 28½" square (Fig. 6). Follow Steps 1-3 to sew the 2½" x 34½" Fabric B strips to each side of the Dog Bed back.

Figure 6

6. Position and pin the dog bed back and dog bed front, right sides together. Sew the two halves together and turn the pillow case right side out.
7. To make the pillow, place two 32½" x 32½" muslin pieces, right sides together and stitch all the way around, leaving a 4" opening for turning.
8. Turn the pillow right side out and stuff with poly fill to your dogs liking. Stitch the opening closed.
9. Slip the finished pillow into the pillowcase to complete the dog bed.
