2. Fussy Cut 4 - 2½" x 10½" strips from red border of panel taking care that the squares are in the middle of the strip.
3. Fussy cut 2 - 5½" x 5½" squares from remaining rectangle designs on the panel, having in total 4 - 5½" x 5½" squares.

Sashing and inner border (20982 - E): *Stripe orientation is important – read carefully before cutting! Refer to quilt image. The amount of fabric stated will cover the sashings and the inner border with piecing.*

Stripes are vertical in sashing rows. Trim the selvage first, and then cut as below.

Cut: 5 - 2½" x width of fabric strips- sub cut each strip to 35½ inches.

Refold fabric to have the stripes going the other way when you cut. Then cut as stated below. You may want to fussy cut so the stripes match up when pieced together. NOTE: 2 strips are for top and bottom inner border

Cut: 4 - 2½" x length of fabric strips. Sew 2 strips together and subcut to 2½" x 48½". Make 2 (side inner border) sub cut remaining 2 strips to 2½" x 35½" each.

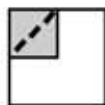

Outer border (20980 -T):

Cut: 6 - 5½" x width of fabric strips. Sew 4 strips together. Sub cut 2 - 5½" x 58½" strips (side outer border), sub cut remaining 2 strips to 5½" x 39½" each.
