1. Place 2 green mitten pieces right sides together with edges aligned. Pin these to a piece of batting and cut the batting to match mittens. Sew around all edges, leaving a 3" opening along the top edge. Turn right side out through the opening between the fabric layers, press, and slipstitch the opening closed. Repeat to make 4 green and 4 red mittens. Sew 3 one-half inch yellow buttons across the cuff of each mitten. Set aside.

2. Sew the blue snowman 22 1/4" x 11 3/8" pieces to the short sides of the center snowman panel. Press the seams towards the snowman borders.
3. Sew two 4 1/8" red dot squares to opposite sides of a 4 1/8" yellow dot square. Make 4 rows. Sew two 4 1/8" yellow dot squares to opposite sides of a 4 1/8" stripe square (arrange the stripe vertically). Make 2 rows. Sew the rows together alternating the rows to form a 9-patch block as shown below. Make 2 blocks.

4. Sew a 9-patch block and a snowman block to opposite ends of a 27 1/2" x 11 3/8" blue snowman border piece as shown below. Press the seams towards the snowman borders.

Reverse the blocks for the second 27 1/2" x 11 3/8" blue snowman border piece also shown below. Press the seams towards the snowman borders.

Make 1 row of each.

5. Sew the top and bottom border units to the top and bottom edges of the quilt top as shown below. Press the seams towards the panel.

6. Sew a 44" x 2 1/2" stripe border piece to the short sides of the quilt top. Press all seams towards the striped border strips.

7. Arrange the mittens and pin to the blue border areas as shown below. Hand sew the mittens to the quilt top, with a tacking stitch, close to the outside edges of the mittens.

Layer and quilt as desired.

Binding:

Sew ends of binding strips together diagonally to form a continuous strip to go all the way around the quilt edge. Sew binding to the front edge of the quilt, right sides together. Miter the corners. Turn the binding to the back and fold a 1/4" hem under. Hand sew the binding to the back.
