SEWING:

1. Assemble (4) 11 ½" x 11 ½" Pinwheel Blocks:

Take your 2 stacks of 16 HST's in fabric #20673 G, and fabric #20672 BG. With right sides together, pair up one HST from each color. Pin along diagonal and sew seam; press with iron. You'll end with 16 blocks. Separate into 4 sets of 4. Take your first set and sew together into a pinwheel block. Trim up block to measure 11 ½" x 11 ½". Do the same with the remaining 3 sets, then sew the blocks together into a row; set aside.

2. Assemble (4) 11 ½" x 11 ½" Nine-Patch Blocks:

Very Important: Use a scant ¼" seam allowance to construct these blocks, only.

Take your two stacks of 18 – 4 1/8+ squares of fabric #20673 R and #20674 H. Construct 2 of each – Nine-Patch blocks, as follows:

Block 1 – Make 2

Row 1: Sew #20674 H, (to) #20673 R, (to) #20674 H (Sew to a completed Row 2)

Row 2: Sew #20673 R, (to) #20674 H, (to) #20673 R (Sew to a completed Row 3)

Row 3: Sew #20674 H, (to) #20673 R, (to) #20674 H

Block 2 – Make 2

Row 1: Sew #20673 R, (to) #20674 H, (to) #20673 R (Sew to a completed Row 2)

Row 2: Sew #20674 H, (to) #20673 R, (to) #20674 H (Sew to a completed Row 3)

Row 3: Sew #20673 R, (to) #20674 H, (to) #20673

Now sew together blocks in this order: Block 1, Block 2, Block 1, and Block 2; set aside.

3. Assemble Center of Quilt:

Pin and sew top of panel to your row of pinwheel blocks; press seam with iron. *Hint: You can use the line of the ¼" seam of the panel as a guide to sew your pieces together.*

Pin and sew bottom of panel to your row of Nine-Patch blocks; press seam with iron.

4. Construct Borders:

Border 1: Fabric #20673 BG – Take two pieces measuring $1\frac{1}{2}$ " x $60\frac{1}{2}$ ", pin and sew each to the left and right sides of the quilt center. Next, take two pieces measuring $1\frac{1}{2}$ " x $46\frac{1}{2}$ " and sew to each horizontal side of the quilt center.

Border 2: Fabric #20673 G – Take two pieces measuring $2\frac{1}{2}$ " x $62\frac{1}{2}$ ", pin and sew each to the left and right sides of the quilt center. Next, take

two pieces measuring $2\frac{1}{2}$ " x $50\frac{1}{2}$ ", pin and sew to each horizontal side of the quilt center.

Border 3: Fabric #20673 BG – Take two pieces measuring $1\frac{1}{2}$ " x $66\frac{1}{2}$ ", pin and sew each to the left and right sides of the quilt center. Next, take two pieces measuring $1\frac{1}{2}$ " x $52\frac{1}{2}$ " and sew to each horizontal side of the quilt center.

Border 4: Take all remaining $4\frac{1}{2}$ " fabric squares; mix them up for a scrappy border. Piece together 17 squares for your right vertical border and 17 squares for your left vertical border; press seams with iron, then pin the length to quilt top and sew together, pressing seams with iron when finished. Next, piece together 15 squares for your top horizontal border and 15 squares for your bottom horizontal border; press seams with iron, then pin the length to quilt top and sew together, pressing seams with iron when finished.

Sandwich the quilt top with batting and #20667 B backing. Quilt the top, adding #20673 G as your pieced binding.
